To Whom It May Concern:

I am writing in regard to the public hearing on Thursday, December 13, 2007 concerning docket number 2007-286-W/S. I request a hearing in Anderson County, South Carolina as numerous customers from Anderson would like to be heard and the travel to Columbia would create a hardship.

I oppose the rate increase filed by Utilities Services of South Carolina. I wish to inform you of my intent to present evidence at the hearing. I would also like to participate with the right to cross examine, requiring 10 minutes or less. I wish to be notified of the hearing in Anderson South Carolina and if there is a change in the hearing time in Columbia on December 13<sup>th</sup>.

Your consideration in this matter is greatly appreciated.

Sincerely,

*Lillie S. Love*
